## 2018 FIELD SIGN SPONSOR

Shreveport Dixie Baseball is a non-profit organization which provides facilities for over 1,000 boys and girls, from ages 3 to 14, to participate in the sport of baseball. Like all non-profit organizations, we need the support of our local community.

Each year sponsor's signs are placed on the outfield fence of our four fields, and along the interior fences of the complex. These signs are prepared with the information supplied by the sponsor. Everyone will know who you are, where you are located, and your telephone number.

Just complete the information form and return. If you require additional information, please call Bobby Gilly at 318-805-2391. Receipts will be furnished for your tax records. Thank you for your assistance and support.

Yes, I want to be a Shreveport Dixie Baseball Sponsor!

Enclosed is my check for sponsorship in the amount of \$300.00 along with our business card and/or letterhead. If you have art work that you would like on your sign, please attached to your order.
