

# ID Badges

Shreveport Dixie Baseball now requires that all Coaches/Volunteers wear a league issued ID Badge at all times. Player safety is our goal. We are taking player safety and volunteer background screenings to the next step.

ALL adults age 18+ must wear the league provided ID Badge to be on field or in dugout area. No exceptions. Umpires will check badges before game and enforce policy. Each team is required to have a minimum of one adult coach to play. If you lose your badge see field supervisor for a replacement badge for \$10.

Once volunteers and coaches have completed their online background check and uploaded their photo to their account, Dixie will create and distribute KidSafePlus® Photo ID Badges.

Badges will be distributed to all registered coaches at the player selection meeting 2/18. If you register after 2/18 your badge will be available on your first game day. If you register after season starts, please notify your league VP (see 2018 board members) and allow a 7 days' notice.

Instructions:

- 1) Go to [shreveportdixiebaseball.com](http://shreveportdixiebaseball.com) and click green login button
- 2) Apply to coach/volunteer button
- 3) Choose Manager, Coach, or volunteer

If you've already registered and haven't uploaded photo, when you log in you'll be asked to upload your photo.
