All players 19 years of age (at the end of the current calendar year) and under would be eligible to try-out for the Senior League Team(s). The respective coach for that team will determine whether he wants to double roster a player. Double roster is defined as a player that plays/rosters on two different teams within the same organization and/or a team outside of Saxonburg. ##### F. Selection to a Team;

1. A player must play for the team he/she was selected for at the annual draft of

players.

2. This is providing the league needs additional players to balance out the number of players on a team. Players can not advance more than 1 year. Players approved to advance shall not be eligible for All Star Tournament Play at their original playing level unless voted by board. All voting will be done in a closed, executive session at the end of the meeting, will be a written vote, and tallied by 2 members of the board together.

**Example:** If the Bronco league has 69 players registered (ages 11 & 12) and the board decides to have 6 teams with 12 players on a team then the board may permit up to 3 Ten year olds the opportunity to play at the Bronco level. For a player to be considered he/she must write a letter to the board (prior to drafting of teams) asking that he/she be considered the opportunity to play at the next level. The names will be forwarded to the appropriate drafting committee or commissioner for their consideration. The drafting committee is not obligated to advance any player(s), unless the player has the necessary skills to participate at the next level. The drafting committee will determine the eligibility and skill level of the players asking to advance. The sole purpose for allowing any player the opportunity to advance is to balance out the number of players on a team providing the player has the necessary skills.

3. With respect to rosters in the Farm, Minor and Bronco leagues: The board may grant players the opportunity to play at the same level if they are required to advance because of an age change. i.e. a 9 year old may request to stay at the Farm level for one more year, an 11 year old may request to stay at the Minor level or a 13 year old may request to stay at the Bronco league level for another year. For a player to be considered he/she must write a letter to the board (prior to drafting of teams) asking that he/she be considered the opportunity to play at the same level. The board will consider such a request after the board has spoken to the players Manager, other Managers and Coaches from the league that he/she played for in the previous season.
