IMPORTANT! The Tournament Director must designate the scorekeeper or another game official as the official pitch count statistician for each game. The pitch count statistician shall record all pitches including strikes, balls, foul tips and any pitches delivered to the catcher ruled a "no pitch" by the umpire. **The official pitch count statistician's pitch count is the official pitch count and cannot be protested.**

The pitch count statistician must provide the current pitch count for any pitcher when requested by either manager or any umpire. However, the manager has the ultimate responsibility for knowing his pitcher's pitch count at all times and when his/her pitcher must be removed to meet the rest requirements above.

The official pitch count statistician shall inform the umpire-in-chief when a pitcher has delivered his/her maximum limit of pitches for the game, as noted above. The umpire-in-chief will inform the pitcher's manager that the pitcher must be removed after the current batter reaches base safely or is put out. However, the failure by the pitch count statistician to notify the umpire-in-chief, and/or the failure of the umpire-in- chief to notify the manager, does not relieve the manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible. Protests of an Illegal Pitcher and Penalty shall be handled pursuant to Tournament Rule XII(G).

Note: If the pitcher reached his pitch count daily maximum on a previous batter, the pitcher must be removed immediately upon discovery.
