## PLAYER EQUIPMENT

3. It is **MANDATORY** that the pitcher wears a batting helmet with full face mask and while playing the pitcher position.

## GAME REGULATIONS

### 1. Pitching and base distances:

46 feet - pitching distance

60 feet - base distance

2. A 12-foot-diameter circle will be used for the pitching area. The center of the circle will be 46 feet from the back edge of home plate.

3. The Coach Pitch must pitch overhand from inside the circle. For other coach pitch rules please see the Dixie Youth Rule Book.

4. No play is dead until the player pitcher has control of the ball inside the circle OR the umpire calls time out when a runner is forced to stop and return to a base under the threat of making an out. If a runner has passed a base when the pitcher gains control of the ball in the circle and does not stop, he may advance to the next base at his/her own risk.

5. An umpire will call time out when the play comes to a natural end (approx. 3 seconds) and the base runners are making no attempt to advance.

6. The ball will be allowed five pitches or three strikes. The batter will be called out after the fifth pitch. A foul on the fifth pitch shall not count unless a foul fly is caught: then the batter is out.

7. Base Running: Runners must hold their base until the ball is hit. Runners cannot steal bases. Runners may advance at their own risk, on an over-throw to first base. This is not an automatic advance of one base unless the ball leaves the field of play.
8. Duration of game: All games will be sixty (60) minutes. The game will stop when the time limit is up. The batter at the plate will finish his bat then the game is over. Home team does not have to have last bat.
9. Each team will furnish a new Dixie Youth Approved Baseball per game. The ball must be leather covered.
10. Teams will play ten (10) defensive players. You may start the game with nine (9) players, but if a team does not have nine (9) players to play, you may use a player from another team in your league. The borrowed player must be on a Shreveport Dixie Baseball fall baseball roster.
11. Every player on the team will be in the batting order, and the order may not change during the game. If a player misses his or her turn at bat, for any reason, he or she will be skipped and no out will be called. All players listed in the batting order will play defensively for at least one (1) inning. Free substitution is allowed on defense. The lead-off batter will not have a second turn at bat until everyone else had batted.
12. There will be a 7 run per inning run limit with the exception of an over the fence home run or a ground rule double.
13. A defensive coach may be in the field to offer advice and instructions, but may not interfere with play. He must stay on the outfield grass.
14. The infield fly rule will not be in effect.
15. Umpires will use their judgment on running out of the baseline.
16. If a child becomes hurt and crying, a courtesy player may be used while the child regains his composure or is checked for injury.
17. Bunting is not permitted in Coach Pitch.
18. Coach pitcher may not interfere with the play in any way. If the ball hits the coach pitcher inadvertently, as determined by the umpire, then it is dead ball, runners can't advance. If the umpire determines interference on the coach pitcher, the batter shall be declared out and all runners shall return to the base occupied at the time of the pitch.
19. All coaches not in position on pitchers mound, in the outfield, or in the coach's boxes must stay inside the dugout. Coaches are not allowed to stand in front of the dugout on the playing field.
