

## MMGS 2019 Spring Rec Ball

### Bring a New Player to MMGS Discount

If you bring a New Player to MMGS and they register to play the 2019 Spring Rec Ball season, both parties can claim this discount at time of order and checkout.

The new player must be new to MMGS which means they have never registered or played with MMGS in the past. They can be a player from another league or someone who has never played softball before.
